About Lions Clubs International

Lions Clubs International is the largest service club organization in the world. Our 1.42 million members in more than 48,000 clubs are serving in over 200 countries and geographic areas around the globe. Since 1917, Lions have strengthened local communities through hands-on service and humanitarian projects, and we are able to extend our service impact through the generous support of our Lions Clubs International Foundation. We are focused on supporting sight, hunger, the environment, childhood cancer and our new global cause, diabetes, to help address some of the biggest challenges facing humanity. Lions have set an ambitious goal of helping 200 million people per year so we can bring even more service to more people than ever before.
